

NATALIE BELTRAMO

RGN.

Natalie has over 10 years' experience as a Registered Nurse. She qualified in 2016 when she obtained a Bachelors in Public Health Nursing and Health Visiting from University of Greenwich. She has since passed various courses for Child Protection, Nurse Prescriber, Best Interest Assessor and Safeguarding. Natalie has since gained a broad range of experience working in various healthcare settings and acting as Health Visitor and Safeguarding Lead for adults and children.

Natalie's current caseload includes clients with Acquired Brain Injuries, Cerebral Palsy, Spinal injuries and complex orthopaedic injuries in both adults and children.

Part of Natalie's role involves liaising with the multidisciplinary teams including the treating healthcare professionals, Community OT's, Social Workers, District Nurses and Education Authorities to ensure that the client's needs are fully met and to the best possible standard. She has experience in setting up domiciliary care packages and managing the client care assessment process. She is also involved in negotiating with statutory services including local CCGs & Social Services to secure funding for her clients and Local Education Authorities.

Natalie's current role as a Rehabilitation Case Manager involves providing case management services for adults and children throughout the UK. Through this role she has gained experience of working within the personal injury field, both on joint or single instruction and liaising with instructing parties effectively. Natalie has a wide range of clinical and managerial experience and is registered with the HCPC, she is a Registered Nurse and a corporate member of the CMSUK.

Natalie will cover most of the UK.

Employment History

Natalie currently works as a Rehabilitation Case Manager for Complete Care Plus Services Ltd. Her role involves carrying out Immediate Needs Assessments and providing ongoing rehabilitation case management for adults and children with spinal injury, brain injury, complex orthopaedic injuries, amputees and cerebral palsy. She is also involved in setting up and case managing long term care packages through agencies or by assisting clients to recruit and manage their care staff directly. She is involved in organising and sourcing NHS continuing health funding for clients through liaising with local CCGs, Education, and Social Services to ensure that the client's needs are met appropriately. She has experience from working in various clinical settings.

Prior to this role Natalie worked as Interim Head of Nursing for Safeguarding Adults, Dementia, MCA, DoLS Autism & Learning Disabilities at University Hospital Sussex. In this role she provided senior nursing leadership for safeguarding practice across the trust, she was Chair of the Adults and Learning Disabilities Operational Group. She attended and contributed to Incident reporting panel, mortality committee and local safeguarding board meetings as well as leading a team of Band 8a, Band 7 and Band 6 registered nurse, providing one-to-one appraisals and supervision of practice.

Prior to this Natalie was Corporate Safeguarding Lead for Adult and Children Safeguarding, Mental Health, LD & Autism & Dementia at HCA Healthcare UK.

Prior to these roles Natalie has also worked in the following settings;

Oct 2018 — Feb 2020 Specialist Advisor Safeguarding Adults, at Royal National Orthopaedic Hospital.

Dec 2017 — Sep 2018 Health Visitor, Homerton University Hospital, London.

Managing complex cases involving families with high vulnerability and diverse care needs, including maternal mental health, learning and physical disabilities.

Feb 2016 — Nov 2017 Health Visitor, London Borough of Newham London.

Jan 2015 — Jan 2016 Student Health Visitor, Croydon University Trust
London

Feb 2011 — Jan 2015 Natalie worked as a Neonatal sister, Barnet Hospital.
